Note Taking Mini Contract

Introduction to Note taking Mini-Contract

Purpose is to be introduced to different types of note taking, so you can determine what works best for you and can continue to use it throughout the semester (unless at some point you end up hating it – then you switch)

Self-evaluation	Process grade	Comfort grade	
			Note cards
			Cornell notes
			Packet Notes
			Single Page Notes
			Other

See assignment sheet for specific information regarding this unit.
Please rate your understanding on a scale of 1-5 in the following areas.

Self-Evaluation

- 5= I understand this note system best and can teach it to others.*
- 4= I understand this note system and feel confident using it myself.*
- 3= I can see the value of this note system, but don't think it is for me.*
- 2= This note system does not help me.*
- 1= I hate this note system and will never use it!*

Process

- 5 = # complete for each method, on time, has all parts
- 3 = have most parts included, could have been more thorough and complete.
- 1 = minimal completion

Comfort

- 5 = Really useful, easy to complete, gives good information, will help me organize my thoughts
- 4 = Useful, can complete rather easily, will somewhat help with organization
- 3 = Useful, but not my favorite, somewhat logical in organization
- 2 = Tedious to complete, does not help me organize
- 1 = I hate it
