### Quarter 1 Narrative EWA Unit Contract

As the EWA policy states, you must write multiply drafts before completing your final essay. For our first EWA, there will be seven prompt options to choose from. You are not required to begin all of the seven prompts. However, you are required to turn in a draft for each checkpoint.

**COMFORT SCALE:**

- 5 = I love this prompt. I think I can turn this into my EWA.
- 3 = It's ok. It might turn into my final EWA.
- 1 = I hate this prompt. Save me!

**PROCESS SCALE:**

- 5 = I understand and have included all the parts of a narrative.
- 3 = I'm making progress, but might be missing some of the parts of the narrative.
- 1 = I've barely started writing.
